

CSTUP-Summer Research Fellowship Programme (CSTUP-SRFP)

Introduction:

Council of Science & Technology, U.P. offers summer research fellowships for 02 months to bright students of M.Sc. 1st & 2nd year to work with renowned Professors/Scientists from premier institutes of India. Approximately 100 such fellowships will be awarded in the summer season of 2019-20 with a monthly stipend of Rs. 25000.00. The fellowship will be given only for those students who are studying in Uttar Pradesh.

Research Areas:

1. Physics (Materials Science, Electronics, Astronomy, etc.)
2. Biology (Botany, Zoology, Env. Science, Biotech, etc.)
3. Chemistry (Organic, Inorganic, Physical, Industrial, Medicinal, etc.)
4. Mathematics
5. Agriculture

Internship Opportunities in India:

- Indian Institutes of Technology (IITs)
- Indian Institutes of Science Education and Research (IISERs)
- CSIR labs/institutes
- ICAR labs/institutes
- Central universities
- Other premier institutes

Eligibility:

Students presently (academic year 2018-19) studying in Post-Graduation (M.Sc. 1st or 2nd year) within the state of Uttar Pradesh are eligible to apply for CSTUP Summer Research Fellowship. Those who have already awarded this fellowship are not eligible to apply.

Selection Criteria:

CSTUP-Summer Research Fellows will be selected on the basis of merit as per following criteria:

	Score Criteria	For Example	Score
1	20 % of X th percentage obtained	80%	16
2	30 % of XII th percentage obtained	70%	21
3	40 % of Graduation percentage obtained	60%	24
4	10 marks for UPCST Science Talent Scholarship Exam, if qualified.	10	10
			Total = 71

50% students will be selected from U.P. Board and 50% from all other boards, therefore there will be separate merit list for these two categories.

Applications will be received online on our portal www.cstup.org from **24.12.2018** to **31.01.2019**. Selected candidates will be required to send the hard copy of the application form (generated online) along with relevant documents duly verified by the concerned college/institute to the mailing address of CST, once the merit list is announced.

Note: There is no fee for applying in this programme.
